Easter Sunday of the Resurrection of the Lord

April 5, 2026

On this day of days we offer a joyful sacrifice of praise to the Father who raised his Son from the dead. Let us be intent upon the life Christ offers us, Christ our Passover who has been sacrificed.

Pastor's Corner

THE EMPTY TOMB THAT MADE A DIFFERENCE

Beloved Parishioners,

We have every reason to be joyful today because the tomb that contained the body of Jesus courtesy of the goodwill and generosity of that rich man, Joseph of Arimathea, is empty! The stone was rolled away, the grave clothes were neatly folded and left behind, and the tomb stood empty — not because someone had taken Jesus' body, but because He is risen! Death has lost its sting! We rejoice because the empty tomb isn't just a miracle to admire but a reality that changed everything about our history and indeed our faith!

The empty tomb is more than a symbol of resurrection — it's the turning point of history. It marks the defeat of death, the validation of Christ's divinity, and the beginning of the Church and new life for everyone who believes. Theologians like Hans Kung attest to this. For them, the Church as we have it today, dates from the resurrection of Jesus because it was the resurrection event that completed Christ's Paschal mystery and conferred on the historical Jesus the validity of being the Christ of faith. Thus we can say that the empty tomb made a difference because: it proved that Jesus is who He claimed to be — the Son of God, the Savior of the world; it gave hope that death is not the end — for those in Christ, it's only the beginning; it transformed broken, ordinary people into bold witnesses — carrying the Gospel across the world.

Our hope would have been of no gain had Christ not broken the prison bars of death and rose victorious from the underworld. Come to imagine the fear and despondency hanging tensely in the air of that upper room where the disciples locked themselves away for fear of the Jews. Now imagine how everything changed

when they encountered the risen Jesus. Joy and new confidence welled up in their hearts and swallowed up their fears and worries. Fear gave way to boldness. Doubt turned into unshakable faith. Grief was replaced with joy. That empty tomb breathed life into a dying world. We can never deny that Christ is the source of our confidence and every Christian should radiate this joy and confidence in their everyday life.

Since Christ has risen from the dead and won for us our salvation, we owe him one thing — an intimate friendship and fellowship with Him. Nothing should sever us from desiring to know Christ who loves us and be one with him. Paul in Philippians 3:10-11 states this desire more explicitly: "That I may know him and the power of his resurrection, and may share his sufferings, becoming like him in his death, that by any means possible I may attain the resurrection from the dead." Here, Paul speaks for all of us when he expresses his deep desire to truly know Christ— not just intellectually, but experientially through a personal relationship; to know the power of His resurrection (the life-giving, transforming power of Christ); to share in His sufferings (identifying with Christ in hardship); and to be conformed to His death (dying to self and sin, living for God).

That empty tomb still makes a difference today. Every struggle, every loss, every sin — all of it meets its match at the mouth of that empty tomb. Because He lives, we have purpose, peace, and the promise of eternal life. The question isn't whether the tomb is empty — history and faith declare that it is. The question is: Has it made a difference in your life?

Theme: The Lord's Resurrection is Our Hope

Easter Sunday Year A, April 5, 2026

First Reading: Acts 10:34, 37-43, Second Reading: Colossians 3:1-4, Gospel: John 20:1-9

Today we celebrate the greatest solemnity of our Faith, the foundation on which our hope and faith as Christian stands. We celebrate and rejoice that Our Lord Jesus Christ has risen from the dead. By rising from the dead, He has defeated the power of death, Satan, evil forces, falsehood, and injustice and took the Glory. God made Him to rise from the dead to prove that He has power over life and death. As Paul would say, "if Christ has not been raised, then our preaching is in vain and our faith is in vain". 1Cor 15:14-15. But because Christ has been raised, we have hope and our faith is credible and that is what we celebrate. That is the reason we shout Alleluia! Alleluia! Indeed, the Lord has truly risen.

Today's Gospel story from John tells us that "on the first day of the week, Mary of Magdala came to the tomb early in the morning while it was still dark." She came to the tomb to anoint the dead body of Jesus as was the tradition. By coming to the tomb, it shows that she never believed that Jesus would rise from the dead on the third day as He has said. The apostles themselves never believed in what Jesus had said, and that is why when they were told by Mary Magdala, they had taken the body of Jesus away they came to verify the truth of the story not to come and witness the resurrection. Archbishop Fulton Sheen reflecting on this made a very inspiring statement, "The Most astounding fact about this spectacle of vigilance over the dead was that the enemies of Christ expected the Resurrection, but His friends did not. It was the believers who were the skeptics; it was the unbelievers who were credulous. His followers

needed and demanded proof before they would be convinced. In the three great scenes of the Resurrection drama, there was a note of sadness and unbelief. The first scene was that of weeping Magdalen who came to the grave early in the morning with spices not to greet the Risen savior, but to anoint His dead Body. That is to say that resurrection was not in their thoughts. Therefore, if we truly believe that Christ has truly Risen, how can we make the Resurrection of Christ present in our lives every day and especially when we gather for our Sunday celebration.

There are THREE ways through which we can make present the resurrection of Christ in our lives. Through the life of Witness. We need to live the life of witness by giving testimonies of our faith and to show that Jesus has truly risen and He is alive. Life of witness is the greatest testimony of faith in the resurrection of Christ. Hope. Our hope assures us that God is on our side, and we look to the future with hope. If Christ did not rise from the dead our faith would mean nothing and our proclamation empty. The life of hope means that we should never give in to despair because Christ is alive and in our midst. No matter how ugly a situation may seem before us let us never give up our hope in God or in ourselves. Submission. To submit is to realize that Jesus is alive and present among us. Thus, we submit all our problems, our difficulties, our worries unto Him because we believe He is alive and with us. Finally, let nothing take away your hope, Jesus is Risen.

I wish you all a blessed Easter.

Beloved Parishioners,

Today we rejoice because the Lord has truly Risen and we shout Alleluia for indeed he is Risen. He has conquered the power of death, falsehood, darkness, fear and doubt. Our faith is credible and our hope solid because our Savior has risen from the dead. Happy Easter to you all!

My beloved parishioners, the past six years that I have served in this parish, firstly as your parochial vicar for two years and secondly four years as your Parochial Administrator, have been the most wonderful, amazing, and fulfilling years for me in my priestly ministry. The blessings I received from you are something that will always stay with me all my life. Each of you is unique and amazing.

However, as our calling demands that we go wherever the Bishop wants us to go, I wish to announce to you officially that I have been reassigned to another parish namely, Our Lady of Perpetual Help Catholic Parish Scottsdale, beginning July 1, 2026. It is hard for me to leave the beautiful people and community of Lake Havasu but listening to the Holy Spirit through our bishop, I'm obliged to leave.

I am still here but will go for my vacation in May and return in June. My last Mass here, which will be one of Thanksgiving and Appreciation, will be on Saturday June 27, 2026. May God bless and keep you all.

DIOCESE OF PHOENIX

Our Lady's School Corner

Forming Courageous Catholics in the Virtues of Christ

Dear Parish Family,

Did you know that Arizona families have access to expanded educational opportunities through the Arizona Empowerment Scholarship Account (ESA) program? The ESA program allows families to direct state education funding toward the school of their choice — including Catholic education. That means your child can have a Catholic Education for free!

At Our Lady of the Lake Catholic School, we are proud to provide a faith-filled academic environment where students are known, supported, and nurtured.

Why choose Our Lady of the Lake?

- **Small Class Sizes (15:1 ratio)** – Our classrooms operate at a 15:1 student-to-teacher ratio, meaning your child receives more individualized attention and one-on-one support.
- **Well-Rounded Curriculum** – In addition to strong core academics, we offer enriching specials including technology, art, music, and physical education.
- **Sacramental Preparation During the School Day** – Our students are blessed to participate in a dedicated sacramental program that prepares them to receive First Reconciliation, First Holy Communion, and Confirmation — all integrated into the school day.

A Catholic education forms the whole child — academically, spiritually, and morally — in partnership with families and our parish community.

Thinking about Catholic education for your child? We invite you to come see the difference for yourself.

Stop by for a tour or call 928-855-0154 for more information.

Sharing the Gospel

Mary Magdalene was surprised when she found the empty tomb of Jesus. She ran and told Peter and John that his body was gone. Peter and John ran to the tomb. They found no body, just strips of cloth. One piece was the cloth that covered the face of Jesus. Peter and John knew that Jesus was not in the grave, even though they did not understand what it meant to rise from the dead.
